

CLOTHING DECLUTTER

STEP 1

Do your laundry the day before.

STEP 2

Take out all your clothing and put in one place. Check bags, car, under the bed, attic, basement, back of doors, entryway.

STEP 3

Sort into categories: tops, jumpers, pants, skirts, dresses, gym wear, outerwear, pyjamas, underwear.

STEP 4

Go through each category and decide what to get rid of.

STEP 5

Decide how to organise your clothes back into the space before putting items back.

STEP 6

Put all your shoes in one place and decide what to get rid of.

STEP 7

Put all your accessories in one place and categorise them: jewelry, hats, gloves, scarfs, belts, bags etc.

STEP 8

Declutter your accessories.

STEP 9

Fix/clean clothes, shoes & accessories that are stained or damaged.

STEP 10

Donate/recycle items that you no longer want:
Give them away to friends & family. Take to charity/thrift store.

STEP 11

Sell items on Depop/Ebay etc.

STEP 12

Relax and treat yourself to some self-care time.
Enjoy how amazing your space looks!
